

Dear Potential Volunteer:

Thank you for your interest in serving as a volunteer at LifeWay Glorieta Conference Center. On this web site you will find the required forms for the application process. You will need to complete both the Application Form and the Volunteer Background Screening Form.

All information requested is necessary, so please be as detailed as possible. Pay particular attention to the Reference Section of the application, providing accurate addresses, e-mails and phone numbers. We contact your references by e-mail when possible, so accuracy is very important.

The Background Screening Form is required by LifeWay for anyone serving on our campus, and must be completed annually. This will be completed within the year you plan to serve. If you are a couple, one background release is required for each individual.

Housing or RV space is provided at no cost to the volunteer while serving as a volunteer on our campus (see guidelines on the web site). It is important that you be specific in your available dates of service and type of housing requested. Please provide alternate dates should your requested dates be unavailable. Due to limited accommodations, we cannot guarantee your request, but we will do our best to meet your desires.

We ask that volunteers serve for a minimum of one month, with an arrival date of either the 1st or 15th of the month.

Upon completion, send the forms to the attention of the Volunteer Office at the address or e-mail listed below. Since we frequently have more applicants than available positions, your promptness is appreciated. The earlier we have your application, the better we are able to serve your requests.

We look forward to the opportunity of serving the Lord with you at Glorieta Conference Center. Glorieta is a unique place of beauty where God's presence is both seen and felt. We know you will be blessed by serving, as others are blessed by your service. Please call if we can be of assistance to you in any way.
